## Women

Crafted using the very latest in yarns and knitting technology, our MicroFiberline™ Knee Length socks are the most comfortable graduated compression socks in the VENOSAN® line. The microfiber feels soft to the skin, and it's the secret behind the socks' easy on and easy off. MicroFiberline™ provides exceptional relief as well as discreetly masking varicose veins and blemishes. With a heel pocket designed for an optimum fit, a comfortable, non-restricting top band and a roomy toe area, these are the socks you'll want to wear for every occasion.

Style: Below Knee

Compression: 15-20 mmHg

Fiber Content: 90% Nylon, 10% Spandex

Latex Free; Made in the USA

Color: Beige or Black

How to measure:

- Calf: Measure fullest part of calf.
- Ankle: Measure smallest part of ankle above ankle bone.
- Ankle and Calf measurements are required for a proper fit. Shoe size is used as a reference only

Indications: Mild Edema, slight varicose veins, tired legs, air travel.

- Graduated compression
- Fashionably soft comfort
- Reinforced heel and toe
- Micro Fiber softness
- Comfortable non-restricting top band

### Feather Light Comfort & Versatility!

At work, at play, or on the go, every day brings its own adventure. When you're on the move, you need a shoe so versatile it transitions to each part of your day, from morning through an evening out with friends.

So when life and style intersect, the Aetrex Ventures collection is there every step of the way. This extraordinary line of footwear provides unmatched comfort and support, so you can always look and feel your very best.

All styles are super light-weight, easy to clean, and water-resistant for challenging weather situations. Certified slip-resistant soles make them safe in slippery conditions and practical for workplace environments. And to complete the package, Aetrex's "Healthy 3" is incorporated in each style to ensure the ultimate in foot health & comfort.

- Lynco® orthotic footbed for support, balance and alignment
- Memory foam cushioning for customization & comfort
- Aegis® anti-microbial technology embedded in lining to help protect against fungi, bacteria & odor
- Water resistant leathers and materials
- Slip resistant outsole ideal for the workplace environment
- Lightweight EVA midsole for soft cushioning
- Tread pattern channels liquids away from sole

Sizes 7-13, 14  
Removable Depth -1/4"

## men's comfort sandals

Warm weather, cool style. Aetrex Men's Comfort Sandals allow you to continue enjoying the summer activities you love while keeping your feet healthy and comfortable all season long.

With Lynco orthotic footbeds, memory foam cushioning and Aegis antimicrobial technology, Aetrex Sandals feature laidback summer designs that deliver on comfort and health. Appropriate for much more than just the beach, these functional sandals provide cushioning, support and adjustability. Incorporates a met bar pod to reduce stress at the ball-of-the-foot, a medial support pod to minimize over-pronation and an ultra-light cork midsole for natural shock absorption.

With Aetrex Men's Sandals, you'll experience comfort at an unsurpassed level.

- Lynco® orthotic footbeds for support, balance & alignment
- Memory foam cushioning for customization & comfort
- Aegis® anti-microbial technology embedded in footbed to help protect against fungi, bacteria & odor
- "Met Bar Pod" reduces stress at ball-of-foot
- Medial Support Pod minimizes over-pronation

## Free floating pods, for free floating steps!

To create the ultimate hybrid of extreme comfort and lifestyle fashion, we had to ignore many conventional shoe design theories. And maybe that's why Modpods look different and feel different than all other shoes.

Modpods' unique floating pods keep the shoes airy light and disperse shock individually to create a floating sensation as you walk. These innovative shoes with patented design feature stretchable uppers and soft memory foam footbeds to provide a customizing, comfortable hug for your feet. The patented Lockdown™ Heel Strap design allows you to quickly slip the shoes on and off and customize the stability to your desire.

So proceed cautiously, and think it through before trying them on. Because you may not want to ever take them off again.

- Lynco® orthotic footbeds for support, balance & alignment
- Memory foam cushioning for customization & comfort
- Aegis® anti-microbial technology embedded in lining to help protect against fungi, bacteria & odor
- Innovative floating pod design for lightness and shock dispersement
- Horseshoe heel design reduces pressure from the calcaneus
- Rubber outsole grips provide traction & stability

Sizes 7-13, 14

Crafted using the very latest in yarns and knitting technology, our MicroFiberline™ Knee Length socks are the most comfortable graduated compression socks in the VENOSAN® line. The microfiber feels soft to the skin, and it's the secret behind the socks' easy on and easy off. MicroFiberline™ provides exceptional relief as well as discreetly masking varicose veins and blemishes. With a heel pocket designed for an optimum fit, a comfortable, non-restricting top band and a roomy toe area, these are the socks you'll want to wear for every occasion.

Style: Below Knee  
Compression: 15-20 mmHg  
Fiber Content: 85% Nylon, 10% Cotton, 5% Spandex  
Latex Free; Made in the USA  
Color: Brown or Black

- Indications: Mild Edema, slight varicose veins, tired legs, air travel.
- Graduated compression
  - Stylish comfortable support
  - Reinforced heel and toe
  - Cotton on the inside
  - Micro Fiber softness
  - Comfortable non-restricting top band
