Fashion-forward Legline® is the sheerest medical support hosiery collection available from VENOSAN®. Attractively priced and super sheer. It features a reinforced heel and toe. So much performance and fashion for such an attractive price.

Style: Below Knee
Compression: 15-20 mmHg at Ankle
Fiber Content: 80% Nylon, 20% Spandex
Latex Free; Made in the USA
Color: Nude

How to measure:
• Calf: Measure fullest part of calf.
• Ankle: Measure smallest part of ankle above ankle bone.
• Ankle and Calf measurements are required for a proper fit. Shoe size is used as a reference only

Indication: Mild edema, tired legs
• Graduated compression
• Sheer and fashionable
• Reinforced heel and toe
Crafted using the very latest in yarns and knitting technology, our MicroFiberline™ Knee Length socks are the most comfortable graduated compression socks in the VENOSAN® line. The microfiber feels soft to the skin, and it's the secret behind the socks' easy on and easy off. MicroFiberline™ provides exceptional relief as well as discreetly masking varicose veins and blemishes. With a heel pocket designed for an optimum fit, a comfortable, non-restricting top band and a roomy toe area, these are the socks you'll want to wear for every occasion.

Style: Below Knee  
Compression: 15-20 mmHg  
Fiber Content: 90% Nylon, 10% Spandex  
Latex Free; Made in the USA  
Color: Beige or Black

How to measure:
- Calf: Measure fullest part of calf.  
- Ankle: Measure smallest part of ankle above ankle bone.  
- Ankle and Calf measurements are required for a proper fit. Shoe size is used as a reference only

Indications: Mild Edema, slight varicose veins, tired legs, air travel.  
- Graduated compression  
- Fashionably soft comfort  
- Reinforced heel and toe  
- Micro Fiber softness  
- Comfortable non-restricting top band

The L2400 Customizable Series provides customized comfort & performance for your feet. Features patented Mozaic® Customization Technology designed to help you create a pressure free environment in your shoes. The L2400 series offers a soft, CopperGuard top cover made from state-of-the-art copper fibers to help prevent bacteria, fungi & odor. An advanced Lynco arch support comfortably balances your feet and provides proper body alignment.

**REARFOOT OPTIONS:**

**Cupped**
Cushions and stabilizes rearfoot. Recommended for medium and high arch.

**Posted**
Controls over-pronation and balances rearfoot. Recommended for flat or low arch feet.

Feather Light Comfort & Versatility!

At work, at play, or on the go, every day brings its own adventure. When you’re on the move, you need a shoe so versatile it transitions to each part of your day, from morning through an evening out with friends.

So when life and style intersect, the Aetrex Ventures collection is there every step of the way. This extraordinary line of footwear provides unmatched comfort and support, so you can always look and feel your very best.

All styles are super lightweight, easy to clean, and water-resistant for challenging weather situations. Certified slip-resistant soles make them safe in slippery conditions and practical for workplace environments. And to complete the package, Aetrex’s “Healthy 3” is incorporated in each style to ensure the ultimate in foot health & comfort.

- Lynco® orthotic footbed for support, balance and alignment
- Memory foam cushioning for customization & comfort
- Aegis® anti-microbial technology embedded in lining to help protect against fungi, bacteria & odor
- Water resistant leathers and materials
- Slip resistant outside ideal for the workplace environment
- Lightweight EVA midsole for soft cushioning
- Tread pattern channels liquids away from sole

men's comfort sandals

Warm weather, cool style. Aetrex Men's Comfort Sandals allow you to continue enjoying the summer activities you love while keeping your feet healthy and comfortable all season long.

With Lynco orthotic footbeds, memory foam cushioning and Aegis antimicrobial technology, Aetrex Sandals feature laidback summer designs that deliver on comfort and health. Appropriate for much more than just the beach, these functional sandals provide cushioning, support and adjustability. Incorporates a met bar pod to reduce stress at the ball-of-the-foot, a medial support pod to minimize over-pronation and an ultra-light cork midsole for natural shock absorption.

With Aetrex Men's Sandals, you'll experience comfort at an unsurpassed level.

- Lynco® orthotic footbeds for support, balance & alignment
- Memory foam cushioning for customization & comfort
- Aegis® anti-microbial technology embedded in footbed to help protect against fungi, bacteria & odor
- *Met Bar Pod* reduces stress at ball-of-foot
- Medial Support Pod minimizes over-pronation
- Ultra-light cork midsole for natural shock absorption

Free floating pods, for free floating steps!
To create the ultimate hybrid of extreme comfort and lifestyle fashion, we had to ignore many conventional shoe design theories. And maybe that’s why Modpods look different and feel different than all other shoes.

Modpods’ unique floating pods keep the shoes airy light and disperse shock individually to create a floating sensation as you walk. These innovative shoes with patented design feature stretchable uppers and soft memory foam footbeds to provide a customizing, comfortable hug for your feet. The patented Lockdown™ heel strap design allows you to quickly slip the shoes on and off and customize the stability to your desire.

So proceed cautiously, and think it through before trying them on. Because you may not want to ever take them off again.

Size: 7-13, 14
Widths: Medium (C/D), "Wide (E/2E)
Removable Depth - 3/16"

COUNTRY FOOT CARE
Apex Running and Walking Footwear are constructed with the most advanced technological features and represent the highest standards in performance and comfort. Innovative features are meticulously built into these extraordinary shoes to offer midfoot and rearfoot stability, pressure relief to the calcaneous and shock attenuation for the foot and musculoskeletal system.

The multiple removable layers, soft linings and wide last design offer protection, fitting flexibility, and the accommodation of orthotics and shoe modifications. Often recommended for people with diabetes, arthritis or anyone seeking shoes for maximum comfort.

**MEN’S ATHLETIC**

Crafted using the very latest in yarns and knitting technology, our MicroFiberline™ Knee Length socks are the most comfortable graduated compression socks in the VENOSAN® line. The microfiber feels soft to the skin, and it’s the secret behind the socks’ easy on and easy off. MicroFiberline™ provides exceptional relief as well as discreetly masking varicose veins and blemishes. With a heel pocket designed for an optimum fit, a comfortable, non-restricting top band and a roomy toe area, these are the socks you’ll want to wear for every occasion.

Style: Below Knee  
Compression: 15-20 mmHg  
Fiber Content: 85% Nylon, 10% Cotton, 5% Spandex  
Latex Free; Made in the USA  
Color: Brown or Black  

Indications: Mild Edema, slight varicose veins, tired legs, air travel.

- Graduated compression  
- Stylish comfortable support  
- Reinforced heel and toe  
- Cotton on the inside  
- **Micro Fiber softness**  
- Comfortable non-restricting top band
Men’s Diabetic Socks Collection
(Non-Reimbursable)

These socks are seamless, made out of Nano Bamboo Charcoal Fibers, padded heel/forefoot and a graduated leg design (keeps socks up on your legs) will be the most comfortable socks you’ve ever had.
